PINGREE NORTHWEST

CULLY BUILDING

CREATIVE / OFFICE SPACE
330 SE MARTIN LUTHER KING JR. BLVD.
PORTLAND, OR
1,673 SF | \$18 SF +NNN

The Cully Building was built in 1884 by stone mason Thomas Cully and renovated in a Commercial Revival tradition. Interior spaces are characterized by exposed brick and post & beam construction. The building is populated with an energetic mix of professionals.

Located in the established and vibrant core of the Central Eastside, the property has excellent proximity to public transportation, services, restaurant & bars, and the Central Business District.
